Veronica Hollabaugh, RN, PMHNP-BC

Bay Village, OH | veronica@kodamahealth.com | vlkarrer62.github.io/healthcare-portfolio

SUMMARY

Registered nurse and board-certified psychiatric NP with 10 years of clinical experience and more than 2 years of hospital-based utilization management. Performs admission and continued-stay reviews for about 10 surgical admissions a month, including post-op ICU stays, screening against InterQual and MCG criteria. Experienced in physician discussions on documentation and admission status, denials, appeals, and peer-to-peers. Acute care background in med-surg, pre-op, and PACU Phase I and II, with charting in Epic, Cerner, and Meditech. Multistate compact RN license.

CORE SKILLS

- **Utilization review:** acute admission review, concurrent and continued-stay review, retrospective review, medical necessity screening
- **Criteria:** InterQual, MCG
- **Payer work:** prior authorization, denial analysis, appeals, peer-to-peer coordination; commercial, Medicare, and Medicaid
- **Physician communication:** documentation and admission status discussions with surgeons and specialists
- **Utilization patterns:** tracking denial trends and documentation gaps to prevent repeat denials
- **Systems:** Epic, Cerner, Meditech, Microsoft Office including Excel

EXPERIENCE

Nurse Care Coordinator (Utilization Review), Neurotology Division

University Hospitals, Cleveland, OH | Nov 2023 – Present

- Perform admission and continued-stay reviews for about 10 skull base surgical admissions a month, including post-op ICU stays, screening against InterQual and MCG and submitting clinicals to payers.
- Manage about 200 cochlear implant authorizations a year, mostly Medicare and Medicaid.
- Handle denials, appeals, and peer-to-peer reviews, working with surgeons on documentation and admission status.
- Conduct retrospective review and denial analysis to find documentation gaps and prevent repeat denials.
- Triage about 75 patient calls a week and escalate to providers as needed.
- Designed a surgical handoff verification protocol after a wrong-side near miss; adopted by the full skull base team of 13 clinicians.
- Also work ambulatory clinic and PACU shifts.

Psychiatric Mental Health Nurse Practitioner

Manrodt Psychiatry, OH | 2025 – Present

- Run an outpatient psychiatric practice: evaluations, risk assessment, treatment planning, and level-of-care decisions.
- Assign ICD-10 diagnosis codes and E/M levels for all visits.

Registered Nurse, Perioperative Services

Cleveland Clinic, Cleveland, OH | Jul 2023 – 2026

- Pre-op, post-op, and same-day surgery care.
- Assessed psychiatric patients for ECT in psychiatric perioperative services.

Travel & Crisis Response Registered Nurse

Multiple U.S. hospitals | 2021 – 2026

- Pre-op and PACU Phase I and II at more than 10 hospitals, including Kaiser San Francisco, Children's Hospital at Montefiore, and Keck Medical Center of USC.
- Adapted quickly to new EMRs, policies, and teams on 7-day to 6-week assignments.

Staff Registered Nurse
Seattle Children's Hospital, Seattle, WA | 2017 – 2021

- Medical-surgical nursing, then pre-op and PACU.
- Supported the hospital's Epic rollout.

EDUCATION

- **MSN, Psychiatric Mental Health Nurse Practitioner** | Western Governors University | 2025
- **BSN** | Western Governors University | 2020

LICENSES AND CERTIFICATIONS

- **RN:** Ohio (multistate compact), California, Michigan, Massachusetts, New York, Oregon
